If you purchased the Textbook Bundle Follow These Instructions

1. Open INTERNET EXPLORER – Do not use a different browser. You will most likely have issues.
3. Click “Register” under the “student” column on the right hand side of the page.
4. Click “Next”
5. Enter Course ID: __________________ (obtain from your instructor)
6. Verify the course information and make sure you are enrolling into the proper course.
7. Click on “Access Code”
8. Enter the Access Code located in the red and white packet under the peel-off section.
9. You will then be guided to enter your personal information for the account.

If you purchased the Textbook online Without the Software You May Purchase Software Independently

1. Open INTERNET EXPLORER – Do not use any other browser. You will most likely have issues.
3. Click “Register” under the “student” column on the right hand side of the page.
4. Click “Next”
5. Enter Course ID: _________________ (obtain from your instructor)
6. Verify the course information and make sure you are enrolling into the proper course.
7. Click on “Buy Now”.
8. The cost for the program is $57 and can be purchased only with a valid credit card.
9. Once purchased you will be granted access to begin setting up your account.
10. You will then be guided to enter personal information for the account.

For account set-up issues, you may access http://coursecompass.com/html/student_how_to_register.html

This program is REQUIRED material for the course. Coursecompass account enrollment for this course will close 01/30/2009.
